About Dutch Total Soccer (DTS)

DTS is a Dutch-based professional soccer training organization. The Dutch Soccer Training method is recognized around the world as one of the most effective training tools to become a better soccer player. We have developed the DTS philosophy, which is based on the Dutch training method, but is geared towards the American soccer player.

All DTS coaches are not only licensed coaches, but teaches, as well. The coaches have a sports education background from C.I.O.S, a prestigious academy where they are required to complete a minimum of 3600 hours of soccer field and classroom training. The DTS coaches work with soccer players of all ages and skill levels, focusing on the fun part of soccer and building confidence on the ball while developing their skills. All players in our programs are grouped according to their ability to make their experience both challenging and enjoyable.
