

GREENBUSH SOCCER CLUB

The Greenbush Soccer Club is moving towards creating a full-time U8 Travel program, and would like to initiate a modified U8 **“tournament team”** this spring. We currently have 14 travel teams competing at the U10 through U17 level. U8 travel soccer will give our kids another option for fun, competitive soccer within the club.

The concept behind the U8 Travel Program for Spring 2017 would be to pull together Rec players, within the appropriate age, who may be interested in the Greenbush Travel Program, with an eye towards next year. This team will come together for academy style practices, and at least one local tournament against other U8s from nearby clubs.

If you have young rec players, we hope you'll join us for this exciting opportunity!!!
